

ROOTED  WOMAN

## SIS, YOU'RE IN GREAT COMPANY

The Rooted Woman community is a network of 10,000+ amazing women like you, who are rocking the journey of womanhood. Many of us are also paving entrepreneurial paths, as well!

As sisters, we encourage supporting each other during this prolonged season of uncertainty, so we decided to highlight a few of our favorite woman-owned businesses in this week's blog post.

Check it out below.

## Rooted Review

"This nail polish is stronger than other brands I've used before, and it's all-natural. I've gotten a lot of compliments wearing it and am so excited for my next purchase." – Jessica F.

## ABOUT ROOTED WOMAN

Rooted Woman seeks to revolutionize the narrative of self-care as a selfish reward to a necessary practice that should be supported and accessible within the lives of women. We promote self-care through our ethical, non-toxic nail polish and treatments and our online self-care courses.
